

Welcome

Dear Parents.

As we settle into the new term we can see that the activities and routines are firmly established and the children are benefitting from consistency and variety. We will be introducing additional elements to the curriculum and this will help further develop the children and enhance their skill set. We are looking forward to this exciting new program of French and Arabic lessons on Mondays and Wednesday for 30 minutes each lesson for the Cloudriders and Stargazers.

Katya Deere - Principal

International Day!

The children had an amazing time at International Day it was so much fun and thank you for all the lovely food. All the costumes were amazing and the day was very special.

Curriculum

The children have already finished Nursery Rhymes, The Tiger who came to tea and The Hungry Caterpillar themes and have now started with Around the world and dinosaurs. The children will continue to learn about the different parts of the world and they will be discovering the different types of dinosaurs and how big they were!

Sports Day & Outside play

In sports week, the children were given the opportunity to participate in different activities throughout the week, we had hop races, caterpillar races, sand bags throwing and lots more activities it was fun for the children 😊

The children are taking advantage of the great weather and doing plenty of activities outside. We had our sports day where the children did a range of sports and activities. The walks to the park are also refreshing and are really building up the children's confidence in various social settings

Chinese New Year

As part of our curriculum for the area of development of Knowledge of the World. The children have celebrated Chinese New Year, we tasted Chinese noodles and rice and also listened to Chinese music.

We were very excited to celebrate this day!

Reminders

The nursery will be closed on Sunday 19th and Monday 20th of February (half term break)

26th & 27th of February – Nursery photos (Stu Williamson)

Pick up times.

Please note that we are still finding that parents are picking up their children later than the scheduled time. This is having an impact on our Teacher-Student ratio and is therefore a health and safety risk.

If you think you are going to be late, please phone the nursery and let us know. We can rearrange the staff's timetables accordingly.

Please also bear in mind that a penalty of 50aed for every 30 minutes of lateness will be applied.

Thank you for your kind understanding and support
