Cloudriders Class November News!

The very Hungry Caterpillar

Fruits tasting during

Sensory Play

Painting with spiders

Dear Parents,

How time flies! It's already more than halfway through the semester and the progress of the children is remarkable. October was a busy month with a flurry of activities.

I have had so much fun with Cloudriders in the past 2 months and I have loved bonding with them and helping them get settled.

Each word spoken by them is rewarding and brightens our day. Our circle times have become interactive where our little ones are participating in singing nursery rhymes and are making efforts to communicate using words, expressions and body gestures.

During the last month, Cloudriders have been learning Shapes, Colors and Numbers, we have been a focus on The Very

Kind Regards,
Miss Nevena

Hungry Caterpillar story and Halloween.

Thank you all for contributing to our Halloween Party. There were many spooky outfits as well as gorgeous princesses. The children showed off their wonderful outfits and danced to the scary music. Later we had such fun ducking for apples and doing Halloween activities. Thanks for making such an amazing effort to prepare your children for this event.

We will be starting our new topic "Transport" which will run for the next two weeks. The children will be learning about all the different kinds of transport; we will be a focus on road safety and to recognize the colors in the traffic lights. After Transport we will be a focus on the Nursery Rhymes topic. We will continue to create an environment to enhance children's wonder, sense of discovery, adventure and exploration. Children will be offered various activities which will reflect on the holistic way children learn and grow.

Should you have any future queries, please feel free to discuss it with me.

Up Coming Events

Diwali: 7th Nov

Park: 8th Nov

Parent Coffee Morning:
12th Nov
