## Sunshiners Class November News!

Dear Parents,

Pasta Sensory Play

Hand Painting

Heuristic Play

The past 2 months have been very busy for the Sunshiners. The last month we had loads of little stories and a new touch and feel books to read and discover. The babies were very much interested looking at all the new pictures touching the texture and hearing the voices of the story teller.

The babies also had time in the afternoons to go to the gym to explore their reflections they also had the time to build their physical development thru tummy time, crawling, cruising and hopefully walking.

We also had time outdoor walking around the nursery as the weather is getting cooler. They had the opportunity to feel the morning breeze and to look over the lake. Next month, if the weather permits it, we will be out the nursery for picnics and walks around the nursery. The timings and the date will be communicated thru Kinderly as I will be needing your help in

Kind Regards,  
Miss Michelle  
DHA Registered Nurse

bringing the prom or the pusher to go out.

We hoped all parents liked what we have done during the Halloween week. More crafts and arts activities will be planned as the younger babies are starting to develop fine motors skills like sticking and picking up small pieces of toys and objects (pincer) I suggest that mums and dads can start them on solid food that can encourage them to grasp using thumb and pointer finger. Self-care for older babies are developing as she is started to feed herself using a spoon.

Next month will have even more exciting activities such as National Sandwich Day and Red Day. 29<sup>th</sup> November Fire Drill Please dress you little one for outdoor when they come in in the morning.

I will be active on Kinderly APP sending you daily updates and pictures.

## Up Coming Events

Parents Morning: 4<sup>th</sup> Nov

Diwali: 7<sup>th</sup> Nov

National Sandwich: 8<sup>th</sup> Nov
