## Cloudriders Class March News!

Lots of hearts for Valentine's!

Jungle animals' footprints

Cloudriders enjoying the fresh orange juice they made themselves

Dear Parents,

February it was a very busy month for Cloudriders, and it is hard to believe that the end of the term is just around the corner.

In February, your children learned new things related to jungle animals and insects. They were able to identify differences between spiders and insects, where wild animals live and what they eat. Children's artwork was inspired by the jungle as well, and they seem to have enjoyed it. During the 'Healthy Week' topic, the dentist has visited our nursery and explained how we should take care of our teeth, and helped the children increase their understanding of personal hygiene and self-care.

In March our topics will be related to books and storytelling. We will celebrate the UK World Book Day on Thursday the 7th of March. On that day, your children can dress up coming to the nursery as their favourite book character. We wonder who will be their choice!

Each week in March, we will look deeper into stories such as "Little Red Riding Hood", "Goldilocks and the Three Bears" and "The Gruffalo". We will talk about the characters and morals of each story and I am sure that they will enjoy it since they love the story time.

In March, we will mark the Pancake Day, St Patrick's Day, and UAE Mother's Day! For St Patrick's Day, we will all dress in green and have a very joyous day, and for Mother's Day will be having a special morning activity for you and your child.

Kind Regards,

Ms Milena
