# Moonwalkers Class March News!

Dear parents,

February it has been a month of interesting topics and activities for Moonwalkers. We have covered exciting topics such as 'The Jungle'; 'Minibeast and insects' and 'Healthy Week'.

In February, your children learned new things related to jungle animals and insects. They were able to identify differences between spiders and insects, where wild animals live and what they eat. Children's artwork was inspired by the jungle as well, and they seem to have enjoyed it. During the 'Healthy Week' topic, the dentist has visited our nursery and explained how we should take care of our teeth, and helped the children increase their understanding of personal hygiene and self-care.

Furthermore, children were exposed to new vocabulary and play activities by using fine motor skills; body coordination; language and communication.

During the upcoming month, our topic will be 'Celebrating Reading' through books and storytelling. The stories will be extended and incorporated in our role-play activities and the small world which will help the children to understand the concept of the story. On the 7<sup>th</sup> of March, we will celebrate World Book Day. On this day we would like you to bring the children to nursery dressed up as their favorite book character.

On the 17<sup>th</sup> of March we will celebrate St. Patrick's Day, and last and not least we will celebrate UAE Mother's Day on the 21<sup>st</sup> of March on the last day of the Term.

If you have any questions about your child and their development don't hesitate to contact me.

I would like to say thank you to those parents who came to see the children learning journals during this week.

Kind Regards,

Ms. Salma
