

Bright beginnings! Better future!

Welcomes our New

Nursery Manager

Hello!!!

My name is Ms Sandra and I am from the UK,
I have 3 children, who are the love of my life and I have lived in
Dubai for more than 4 years.

I have worked in the UK in both mainstream, training and inclusion
educational settings since 2004. In these roles I improved learning
by creating a motivating and stimulating environment, where every
child's individual needs were catered for and I also worked very
closely with OFSTED.

For the last three years I have worked in Early Years as a Teach-
er, Curriculum Leader and Educational Co-ordinator. I believe that
each individual child should be given the potential to learn through
play, to make decisions and use their critical thinking skills.

I am excited about this new role and looking forward to the chal-
lenge and becoming part of the Rainbow Valley Family!

most beautiful humans on earth, for what they believe is what
they will become."
