

## **December Newsletter**

### **SUNSHINERS**

**I can't believe the 1st term has come almost to an end.**

**November had passed by so quickly and our Sunshiners had been very busy with the 'Dinosaurs' & 'Nursery Rhymes' topics, and the UAE National Day.**

**The weather has greatly improved and we've been able to venture from our classroom, to outdoors! The babies love going around the lake and enjoying messy play activities outdoors. They are always on the move scooting, crawling, and pulling up.**

**During December we will be covering as a topic the 'Winter Land'.**

**We will introduce the color green in our learning and we will be talking more about the Festive Season through play, songs, and books.**

**The activities planned during this month will enhance children's fine motor development with various types of sensory play with water, rice crisps and cotton.**

**Sunshiners, have already started including in the circle time songs to be performed in the Winter Concert on the 11th of December. We will dress up as Little Santa.**

**If you have any questions or queries about this, don't hesitate to talk to me. I'm always in the Nursery and in Parent to update you with your children's activities and progress.**

**I would like to wish you all a Happy Festive Season and a very Happy New Year!**

**Regards,  
Ms. Michelle**
