

Sunshiners Class January News!

January 2019 Newsletter

Dear Parents,

Welcome back to the nursery after the festive period, we hope everyone had a wonderful time! Rainbow Valley Nursery Sunshiners welcomed 2019 with a big smile and lots of excitement! We also like to welcome the new babies in the Baby Room and congratulate Annabelle for moving up to the Moonwalker Class.

December was a busy month for the babies. Winter Concert, crafts and sensory activities were just a few of the fun things that have filled our day with.

In January, we will be going to move around the nursery using the dance studio, Nursery outdoor area in the morning and the hallway for babies to practice walking skills and explore the environment around. For the new and younger babies, we will be doing lots of tummy time and baby moves activities to build up relationships and more of heuristic play.

The topic this month will be focus on 'The Farm' and the color yellow. I have listed songs that we will be singing in our circle time.

Bah Bah Black Sheep
Five Green and Speckled Frogs
Alice the camel
BINGO clapping songs
Five Little Chickens
Five Little Ducks
Horsy Horsy
Old Mc Donald had a farm.

If you have any questions I'm always in the Nursery and in Kinderly to update you with your children's activities and progress.

Regards,
Miss. Michelle
