

Sunshiners Class September News

Dear Parents,

A huge welcome to our new babies in the Sunshiner's room! I hope everybody had a delightful holiday.

Let us also welcome Ms. Salma as she will be the Moonwalkers class teacher and also looking over our Sunshiners Class, along with Ms. Michelle and Ms. Maricel.

In line with the 'Amazing me' topic, the Sunshiners class did a personalized foot stamping, exploring the texture of the paint. This is proudly displayed outside our classroom. Sunshiners also have been doing more sensory play like lights and water play.

Sunshiners is already on the move with more outdoor activity. The weather is starting to be a bit cooler, but still, don't forget to pop in some sunscreen and a hat in the bag for more of our scheduled park outings.

We look forward to a great start here in Rainbow Valley Nursery with our new team.

Ms. Salma

Ms. Michelle & Ms. Maricel
